

An old-school, text-based games hackathon.

PRINT('STDIO GAME JAM 2017')

hosted at

The Museum of Art and Digital Entertainment
Oakland's Video Game Museum

- Sat, August 19th to Sun, August 20th
- 3400 Broadway, Oakland, CA
- Or participate online!

- Create small, "standard io" text games for new programmers to learn from.
- Use any language! Python, C#, JavaScript...
- All skill levels welcome! Developers and designers!

- More info:
